

AMERICAN SCANDINAVIAN SOCIETY – 2010 MEMBERSHIP

Dear Member and Friend,

A fresh, new year lies ahead with a spring season of programs already planned. Dates have been set for Art Exhibits, Concerts and, of course, Food and Song – the Spring Cruise on the World Yacht again, May 2 (save the date), followed in June (on the 3rd) by the Cultural Grant Awards Party. The Board and Committee members of the American Scandinavian Society want to thank all of you who volunteered time and skills to make the past year an exceptional success. We would also like to thank those who attended events and supported fundraising efforts for the Cultural Grants.

Last year, we added a new category to encourage younger as well as senior friends to become (or stay on as) members. Remember, as an A.S.S. member, you will be invited to Member-Only receptions and enjoy Membership Privileges at many Scandinavia House events, as well. Should you choose to become a Sponsor-, Corporate- or Viking-level member you will be invited to Special Events and, as a thank you, given preferential seating at the Christmas Ball. Contributions to the Society are deductible as charitable contributions to the extent provided by law. The American Scandinavian Society of New York, Inc. is a qualifying tax-exempt organization as described in section 501(c)(3) of the Internal Revenue Code.

Thank you for your help in keeping our mailing list up-to-date. If you give us your e-mail address, we will send you invitations and information about other events that we think will be of interest to you. Your support as a member makes it possible to continue our successful 101-year-long dynamic history in New York, in our role of interpreting the best in Scandinavian culture and in promoting strong Scandinavian/American relations. The American Scandinavian Society is staffed exclusively by volunteers, and its members elect the Officers.

Yours sincerely, with thanks,

Bertha Lindefjeld
Chair, Membership

Vibeke Steineger
President

Your 2010 Membership Enrollment/Renewal Form
